MEMORANDA, CIRCULARS, &c.

68,300

CIRCULAR, No. 1,193.

General No. 246.

Sir,

War Office, July, 1855.

In consequence of the frequent cases of Enlistment of Men who belong to embodied Regiments of Militia by Recruiting Parties of the Line, &c., and the various claims preferred on that account, I am directed by the Secretary-at-War to acquaint you that the following Regulations will be strictly enforced in future.

1. When an Officer is sent to a Militia Regiment to receive its quota of Volunteers, the employment of Recruiting Parties is *not permitted* (except in the instances referred to in Article 6 of this Circular), and the special Instructions which are *then* issued for the Officer's guidance are alone applicable on that occasion.

2. In all individual cases of Men wishing to transfer their services into the Line from embodied Regiments of Militia, either before or after the period fixed for the special Volunteering from those Regiments (except in the cases of disembodied Men of embodied Corps, provided for by paragraph 5 of this Letter), the Recruiting Parties may, with the concurrence of the Colonel or Commanding Officer of the Militia Regiment, enlist such Men, and will be allowed 7s. 6d. for each Man approved for the Line, a like sum being allowed to the Militia Serjeants, making a total of 15s. bringing money, which will constitute the only rewards payable for this class of Volunteers.

3. In any cases of Men who are enlisted and treated in all respects as ordinary Recruits, and are *afterwards* found to be embodied Men of embodied Regiments of Militia, which they have denied on attestation, they will, as the consequence of such denial, forfeit all claim to the extra 20s. allowed to Militia Volunteers, and the Recruiting Parties may retain the full reward, provided the Inspecting Field Officer be satisfied by inquiry in each case that they were in no way implicated in the denial of the Men's former service: but if it can be ascertained that any such Man has been brought for enlistment by a non-commissioned Officer or Private serving in the Militia, a report of the circumstances should *at once* be made to the Commanding Officer of the Regiment, with a view to the punishment of such irregularity and the refund of any bringing money which such Militia Soldier may have received.

4. The distinctions between Volunteers from embodied and disembodied Regiments of Militia, as specified in the circular Letter addressed to District Paymasters on 18th December last (No. 1,172), are to be strictly maintained in reference to the charges in the district accounts, except that in any special cases of the class provided for in the preceding paragraph the charges of levy money will be made in the district accounts as if the Men were ordinary Recruits, due regard being also had to the following paragraph.

5. It must, however, be clearly understood that Men belonging to embodied Regiments of Militia, who have been permitted to go to their homes under

the provisions of Lord Panmure's Circular, dated 27th March last, are to be considered as *disembodied Men*, and dealt with in like manner as Men belonging to Corps *not* embodied, such men not being entitled to the 11. extra Line bounty, with reference to the Circular issued from the War Department on the 30th ultimo.

6. In some few instances Recruiting Parties are specially permitted to assist in carrying into effect the Volunteering from the Militia, and in these cases only the printed Instructions dated Horse Guards, 26th February last, are applicable. In all other cases the previous Instructions are to be strictly followed.

I have the honor to be, Sir,

Your most obedient Servant,

B. HAWES.

The Inspecting Field Officer.

CIRCULAR MEMORANDUM.

MEMORANDUM.

Horse Guards, 23rd July, 1855.

Several instances having been brought to the notice of the General Commanding-in-Chief in which Officers have, on their own authority, promised discharges to the men under their command, and, in some cases, have received the money from soldiers before the sanction of the General Commanding-in-Chief to their discharge was obtained, the General Commanding-in-Chief hereby calls the attention of Commanding Officers to the subject, with a view to the prevention of so unauthorized a stretch of power on the part of Officers, which is calculated to mislead and injure the soldier, and is consequently highly prejudicial to discipline.

The money for a soldier's discharge is on no account to be received till the discharge has been formally approved by the General Commanding-in-Chief, and then only by the Regimental Agents or Paymaster.

G. A. WETHERALL,

Adjutant-General.

CIRCULAR MEMORANDUM.

Horse Guards, 31st July, 1855.

With reference to the General Order, No. 649, dated Horse Guards, 5th July, 1855, — it is to be understood that the Returns, Reports and Communications therein mentioned are such only as are sent to the Horse Guards, through General Officers commanding Districts, by Regiments of the Line.

All subjects of a purely regimental nature, and over which an Officer commanding a District exercises no control, are to be sent *direct* to the Adjutant General of the Royal Artillery or Assistant Adjutant General of the Royal Engineers.

By Command,

G. A. WETHERALL,

Adjutant-General.

INVALID DEPOT, CHICHESTER.

CIRCULAR, No. 1,194.

1,101.

SIR,

War Office, 11th August, 1855.

With reference to my letter of 16th May last ^(83,100 Chatham, 132.)

regarding the classification of the Invalids arriving from the East into "Fit" and "Unfit" at the port of disembarkation, the former to be sent to their Depôts, or on furlough, and the latter to Chatham, I am now directed to acquaint you, that, consequent upon the establishment of an Invalid Depot at Chichester, it has been found necessary to direct that the men sent there should be taken substantively into the payment of the Paymaster of Detachments at Portsmouth, until they leave Chichester, when they are to be duly reported into the payment of their several Depôts, or to Paymaster Leech of the Invalid Depot at Chatham, according to their classification.

This arrangement will, however, be modified by the appointment about to be made of Captain Naylor as Paymaster to the Invalid Depot at Chichester, who will shortly take over the payment of the Invalids in question, dating from the commencement of the current Quarter if practicable, on being furnished with No. 1 Reports by the Paymaster of Detachments at Portsmouth, upon whom, in concert with Paymaster Leech, will devolve the duty of subsisting the Invalids sent to Chichester, and of effecting all necessary settlements on their account with Officers in charge at that station in respect of the period ended 30th June last.

I have the honor to be, Sir,

Your most obedient Servant,

To Commanding Officers of
Depôt Battalions, Consolidated
Cavalry Depôts, and Depôts of
Regiments serving in the East.

B. HAWES.

GENERAL ORDER.

No. 650.

Horse Guards, 9th August, 1855.

THE large increase of the Militia,—which, under Her Majesty's Regulations and Orders for the Army, takes rank after the Line according to a numerical roster as fixed by lot,—and the organization of a portion of that Force as Artillery, having rendered it necessary to determine the precedence of the new Regiments recently enrolled, a Board of Militia Officers was ordered to assemble in the Camp at Aldershot for the purpose of declaring the precedence, alphabetically, of the Militia Artillery, which, in virtue of its organization, will take the right of the Infantry, and of determining, by lot, the Numbers of the new Regiments of Infantry as well as those of three old Regiments which appeared to claim the same numbers; and the General Commanding-in-Chief has desired that the result of the proceedings of the Board, as contained in the annexed list, showing the Regimental numbers fixed for the the whole Militia of the United Kingdom, now borne on the Establishment, shall be published in the General Orders of the Army.

It is to be clearly understood that this list has reference merely to circum-

stances of parade. On all other occasions Corps are to be distributed and drawn up in the mode which the General or other Officer commanding may judge most convenient and best adapted to the purposes of the Service.

When Regiments of British and Irish Militia are serving together, the priority of rank is to be considered, according to existing regulations, as belonging to the Militia of that part of the United Kingdom in which the Regiments may be quartered.

In order to prevent confusion, the General Commanding-in-Chief desires that the *County Title* shall always be made use of in the headings, &c. of all Militia Returns and other documents; the *Regimental Number* is never to be made use of by itself, and only as a *Subsidiary title*.

By command of the Right Honorable

GENERAL VISCOUNT HARDINGE,

Commanding-in-Chief.

G. A. WETHERALL,

Adjutant-General.

Qualifications of Officer Instructors.

4. All the Officers appointed to this corps must have gone through the course of instruction at Hythe, and have received certificates of qualification from the Commandant.

Employment of Officer Instructors.

5. If on full pay, they will be continued on the strength of their respective regiments, and have the same advantages of promotion as if present therewith. With the exception of those employed at Hythe, they will be detached to dépôt battalions, or posted to regiments or stations where their services as Instructors may be considered most requisite ; or be employed in inspecting and reporting, through the Commandant at Hythe, for the General Commanding-in-Chief's information, upon the instruction as carried on regimentally in districts to be assigned to them.

Appointment of Regimental Officer Instructors to the Corps of Instructors.

6. The Regimental Officer Instructors appointed in pursuance of the "Instruction of Musketry," will, according to their aptitude for the office, be eligible for appointment to the "Corps of Instructors," and thus become further eligible for service at the head-quarter establishment at Hythe.

Qualifications of Non-commissioned Officer Instructors.

7. Recommendations of men for the appointments of Non-commissioned Officer Instructors are to be addressed to the Adjutant-General according to the annexed form. The candidates must be Serjeants or Corporals, men of active habits, intelligent, and capable as well of receiving as of imparting instruction, unmarried, and not exceeding five years' service; they must also be medically certified fit for active service; must be able to write accurately from dictation, understand the use of forms, &c., and have a competent knowledge of the first four rules of arithmetic, and of vulgar and decimal fractions.

Discharge and Re-enlistment of Non-commissioned Officer Instructors.

8. Previously to appointment they will be sent to the School of Musketry at Hythe, and, when reported by the Commandant as duly qualified, they will be discharged, and re-attested without bounty for general service, their previous service being allowed to reckon towards pension and, when enrolled in the corps of Instructors, they will be liable to be posted to and from different regiments or stations at the pleasure of the General Commanding-in-Chief, former regimental connexion being taken into consideration whenever the circumstances of the service will admit thereof. The attestations are to be made out in duplicate; one copy will be retained at Hythe, and the other, together with the man's "Register Sheet," will be sent to the regiment or station to which he may be posted, the Officer commanding being held responsible that these documents are kept duly complete according to regulation, and that, on every removal of an Instructor from one corps to another (if at home), they are forwarded to the School of Musketry, in order that the entries may be duly transferred to the copy of the attestation in possession of the Commandant. Each man is to be distinguished by a separate number, his former regimental number being placed at the side of it, as in cases of transfer, viz. 1st Class Instructor, A. B., No. 100 } ^{2d Foot} 1564 }, and he will be mustered with and accounted for in the returns of the regiment or garrison to which he may be attached. Casualties amongst the Instructors are to be immediately reported to the Adjutant General.

9. Should it be deemed advisable, eligible and well-conducted Private Soldiers, who may be specially recommended by their Commanding Officers, will also be occasionally permitted to volunteer for this Corps, and be sent to Hythe for training. When reported qualified they also will be discharged, and will be re-attested for Second Class Instructors.

Relative Rank, &c. of Non-Commissioned Officer Instructors.

10. The First Class Instructors at the Head Quarters at Hythe will rank as Staff Serjeants, and be clothed accordingly, having chevrons with four bars on the right arm, and a distinguishing badge of two muskets crossed above the chevrons.

The other First Class Instructors will rank as Serjeants, and the Second Class Instructors as Corporals; each Class will receive Serjeants' clothing, and will wear three or two chevrons respectively, with the same distinguishing badge as the Staff Serjeants at Hythe; and they will be entitled to barrack accommodation according to their respective classifications.

Promotion of Non-commissioned Officer Instructors.

11. As vacancies occur among the First Class Instructors they will be filled up by promotion from the Second Class, grounded upon reports of their ability and conduct recorded in the Adjutant-General's Office, or upon the recommendation of the Commandant at Hythe.

Non-commissioned Officer Instructors to be exempted from General Regimental Duties.

12. The First and Second Class Non-commissioned Officer Instructors will be exempted from all regimental and barrack duties, and be employed exclusively in the instruction of the Troops in the theory and practice of Musketry; they will not be subject to the authority of any Non-commissioned Officer (with the exception of the Serjeant Major) in the execution of their duty; but, under the general superintendence of the Commanding Officer, they will act specially under the orders of the appointed *Regimental* Officer Instructor, who will be responsible that the system as taught at Hythe is efficiently carried out in the Regiment to which he belongs.

13. In the event of its being necessary to bring an Instructor before a Court Martial for misconduct, he is to be immediately suspended from duty, and a report of the circumstances of the case transmitted to the Adjutant-General of the Forces for the information of the General Commanding-in-Chief, if the man be serving at home; if abroad, to the General or other Officer commanding on the Station.

Correspondence.

14. All applications for information on any particular question regarding the mode of carrying on the instruction are to be made, through the Commanding Officers to the Commandant at Hythe, who, if unable to remove the difficulty, will refer the question for the decision of the General Commanding-in-Chief, without whose special authority no alteration, however trivial, is to be made in the prescribed regulations as issued from the Adjutant-General's department.

Returns of Target Practice.

15. All the prescribed regimental returns of target practice, &c., (which are to be prepared by the Non-commissioned Officer Instructors, and are not to be made out in the orderly room,) after being signed by the Officer

Instructor and countersigned by the Commanding Officer, are to be forwarded *monthly* to the Commandant at Hythe, by whom a general abstract thereof will be prepared *quarterly* for the General Commanding-in-Chief's information; it will be the duty also of the Commandant specially to report any deviation from regulation or laxity of practice which may be discovered in the interim, or on examination of the monthly regimental returns.

16. It is only necessary to state further, that the General Commanding-in-Chief relies upon the zealous co-operation of all towards ensuring the consolidation and well-working of a general system of instruction in rifle shooting, by which the efficiency of the infantry cannot fail to be greatly increased.

By command of the Right Honorable
GENERAL VISCOUNT HARDINGE,
Commanding in-Chief.
G. A. WETHERALL,
Adjutant-General.

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The Intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

Foreign Office, May 10, 1855.

(Signed) CLARENDON.

SIR,

War Office, 3rd September, 1855.

It having been found inconvenient to apply to the Army now on active service in the East the instructions contained in Articles 64, 65, 87, 92 and 93 of the Explanatory Directions, with respect to the settlement of the Commissariat Account for Rations supplied to the Troops on shore, and the annexing to the Pay List the Commissary's receipt for the amount, I am directed to acquaint you, that Lord Panmure has sanctioned for the Troops serving in the Crimea and in Turkey the discontinuance of such settlement.

I am accordingly to acquaint you, that, from the date when this alteration is made, under orders issued on the spot, the Paymaster is to account for the proper stoppages for Health Rations of provisions supplied on shore to Officers and Men by a specific credit in Form 23 in the Pay List, following the credit for disallowances, specifying the total number of days in each instance, and explaining in Form 13 the manner in which that number is arrived at, and the cause of variation, if any, between the number of stoppages credited and the number of days for which Rations will appear by Form 1 to have been supplied to Officers, and by the recapitulation of the charges for Pay to have been supplied to Men.

In any Pay Lists which may include actual payments to the Commissary, with the credits under the new arrangement, the number of Rations for which payment has been made to the Commissary, as shown by his receipt, will of course be added in the statement, Form 13, showing the agreement of the ration credits with the number of days pay charged.

As no payment will be made by Paymasters for Rations under the new arrangements, care is to be taken that the proportion of the Soldier's Pay applicable to his Ration is not drawn from the Military Chest, and, in preparing future Estimates, the calculated amount of such Rations is to be deducted on the face of the Estimate.

A copy of this Circular is forwarded to the Paymaster of the Regiment under your command.

I have the honor to be, Sir,

Your obedient Servant,

B. HAWES.

Gen. No.140.

SIR,

War Office, 8th September, 1855.

IT having been represented that much difficulty has occurred in settling claims for payment of Oats purchased by detachments of Cavalry on march, Forms of Accounts to be used on those occasions, with certificates subjoined, are herewith transmitted; and I am to request that the Commanding Officer of every detachment of your Regiment, upon receiving his "March Route," may be provided with as many of these Forms as may be necessary to enable him to make out a separate account of the Oats he may purchase at each place the detachment under his command may halt at during the march.

I am further to desire that Officers may be especially enjoined to enter all the particulars required in the Form, and that they should be careful to give no other description of voucher, receipt, order or bill; they must also be careful to pay the amount of stoppages for *Officers' Horses* to the supplier of the Oats, whether he be a Contractor or other person, as the amount of that stoppage will be deducted in settling the account for the whole quantity of Oats supplied.

The vender of the Oats should further be instructed to transmit the Form (filled up and certified as above directed) for payment to the Deputy Commissary General, 5, New Street, Spring Gardens, London.

I am, Sir,

Officer commanding — Regiment.

Your obedient Servant,

B. HAWES.

MEMORANDA, CIRCULARS, &c.

CIRCULAR.

MEMORANDUM.

Horse Guards, 27th August, 1855.

WITH a view to assist the Commissioners of Chelsea Hospital in fixing the correct rates of Pension to which discharged Soldiers are entitled, the General Commanding-in-Chief desires that Officers commanding Regiments and Depôts will cause to be inserted in all discharge documents a certificate of the number of good conduct badges to which the Soldier to be discharged is entitled.

This certificate must follow immediately after the character, thus,—“His conduct has been ———, and he is in possession of ——— good conduct badges.”

In the case of a Serjeant enlisted since 1st March, 1833, the entry shall be as follows:—

“His conduct has been ———, and he was in possession of ——— good conduct badges when promoted to the rank of Serjeant.”

By Command.

G. A. WETHERALL,

Adjutant-General.

CIRCULAR.

MEMORANDUM.

Horse Guards, 25th September, 1855.

IT having been represented to the General Commanding-in-Chief that the practice of snapping the Cocks of Muskets on the Nipples is calculated to break both the Cocks and Nipples, from the two hardened surfaces being brought into contact without a blind or service percussion cap lying between them, Viscount Hardinge hereby desires that this objectionable practice be henceforth discontinued.

By Command.

G. A. WETHERALL,

Adjutant-General.

To be addressed to Officers commanding Regiments and Depôts, and to General Officers.

SIR,

War Office, 25th September, 1855.

WITH reference to the printed letter addressed to you on 2nd May last, limiting the returns to be made respecting the effects of Soldiers becoming non-effective in the Crimea to War Office Forms 192 and 388, I am directed to acquaint you that as the Savings Banks' of each regiment in that country are kept by the depôts at home since 1st April last under the instructions of this office dated 17th March last, the certificate on Form 388 will not in future be required to be annexed to the statement of the effects of Soldiers becoming non-effective in that country; but it will be sufficient that a Memorandum be inserted on the statement of effects, that there is a balance in the Savings Bank of the regiment belonging to the Soldier.

I am, Sir,

Your obedient Servant,

B. HAWES.

To Officers commanding
Regiments in the Crimea.

GENERAL ORDER

No. 655.

Horse Guards, 2nd October, 1855.

THE General Commanding-in-Chief has received Her Majesty's most gracious commands that Lieutenant General James Simpson, Commander of Her Majesty's Forces during the late arduous and finally successful operations, which have led to the fall of Sebastopol, shall be promoted to the rank of General.

The Queen has also been most graciously pleased to command, that Colonel Charles Ash Windham, C.B., shall be promoted to the rank of Major General for his distinguished conduct in heading the Column of Attack which assaulted the Enemy's defences on the 8th September with the greatest intrepidity and coolness, as specially brought to the notice of Her Majesty in the Public Despatch of the Commander of the Forces, dated the 9th September.

By Command of the Right Honorable

I am directed to request your particular attention to Articles 135 and 136 of the Explanatory Directions, and to point out that it is your duty in every instance of a Detachment of Officers or Men in your payment proceeding to or returning from a Station abroad, or from one Foreign Station to another, to provide the Officer or Non-Commissioned Officer in charge with a supply in duplicate of the Forms alluded to, with a strict injunction, that, on arrival at the place of destination, the said Forms, properly completed and certified, are to be delivered to the Paymaster or Agent into whose payment the Officer or Detachment shall pass.

A supply of the Forms in question is enclosed for immediate use, and further supplies thereof will be sent periodically. If at any time the quantities received are likely to prove inadequate, you are forthwith to transmit to this Office a timely requisition for such further supply as may be necessary.

VICTORIA, R.

WHEREAS we have deemed it advisable to allow to the widows and families, or to certain of the relatives hereinafter specified, of Officers of our Army who, since the declaration of war with Russia, have been or may be killed in action, or who have died or may die of wounds received in face of the enemy within six months after being wounded, the alternative of receiving a fixed sum of money, in lieu of such rates of pension and compassionate and other allowances as are prescribed by our Royal Warrant of the 15th of June, 1855; our will and pleasure is, that this our Royal Warrant, to be administered and interpreted by our Secretary at War, shall be the sole and standing authority upon the matters herein contained.

Rules and Regulations for granting a fixed Sum of Money in lieu of Pensions, Compassionate Allowances, and Gratuities to the Widows, Families and Relatives of Officers Killed in Action, or dying of Wounds in face of the enemy, within Six Months after being wounded:—

1. The amount of money to be paid to a widow, widow and children, or other relatives of an Officer killed in action, or dying of wounds received in face of the enemy within six months after being wounded, shall, whatever branch of the Service he may have belonged to, be the regulation price fixed for Commissions in Cavalry and Infantry of the Line, as set forth in the following scale, viz.:—

To the widow, widow and children, children, father, mother, sister or sisters of				Cavalry.	Infantry.
			Lieut. Col.	£6,175	£4,500
Ditto	Major	4,575	3,200
Ditto	Captain	3,225	1,800
Ditto	Lieutenant	1,190	700
Ditto	Ensign	840	450

but it shall in no case exceed the regulated price actually paid by the Officer for the purchase of his Commission or Commissions.

2. When an Officer so killed, or so dying of his wounds within six months, shall leave a widow only, the price thus fixed shall be paid to her for her sole and absolute benefit, provided she be not left in such wealthy circumstances as would otherwise preclude all claim to a pension; and she shall be required to give, according to such form as may be hereafter prescribed by the Secretary-at-War, an acknowledgment as having received such sum in lieu of, and as a full compensation for, all pension and gratuity to which she may have proved herself entitled in consequence of the loss of her husband.

3. In the event of an officer leaving a widow and children who have established a claim to the pension and compassionate allowance, then, and in that case, the money awarded in lieu thereof shall be invested in Government Securities, in the names of two or more trustees, to be nominated by the Secretary at War for the time being, and shall remain so invested, and the interest shall be receivable by the widow until her death, when the money shall be divided, share and share alike, among the children then alive of such deceased Officer. In the event, however, of

the widow surviving her said children, the money shall then become her sole and absolute property, as laid down in Article 2.

4. In the event of an officer leaving a child or children, but no widow, the money shall be invested, as stated in Article 3, and the interest thereof shall be applied by the trustees for the benefit of such child or children until he, she or they shall attain the age of twenty-one, when the money, as in the case of the widow, shall become the absolute property of such surviving child or children, share and share alike. Should, however, such child or children die before attaining the age of twenty-one years, then, and in that case, the money, after discharging all just liabilities, shall revert to the Crown.

5. In the event of an Officer leaving at his death neither widow, child, nor children, then the money shall be paid to his father, and if he leave no father, it may be paid to his mother, for his or her sole and absolute benefit, provided that neither be excluded by wealthy circumstances. And in the event of there being neither father nor mother, then the money shall be paid to the sister or sisters, as the case may be, share and share alike, and provided they shall have attained the age of twenty-one years. But should any sister or sisters be under that age, then the money shall be invested, and the interest be applied, as stated in Article 4, until such sister or sisters shall become twenty-one years of age, when it shall become the absolute property of the survivors or survivor. Should no survivors or survivor attain the age of twenty-one years, then the money, after discharging all just liabilities, shall revert to the Crown.

5. No grant of money under the provisions of this Warrant shall be made to the widow if she were ineligible for a pension under the provisions of the Royal Warrant of the 15th of June, 1855; but the ineligibility of the widow to any grant under this Warrant shall not affect the interests of the legitimate children of such deceased Officer, for whose benefit the money shall be invested, as stated in Article 4, except they be left in such wealthy circumstances as would disqualify them for the compassionate allowances under the provisions of Article 2.

7. In the event of it being represented and satisfactorily proved to the Secretary-at-War that any widow, on whose behalf money shall have been invested for the benefit of herself and children under the provisions of this Warrant, shall thereafter so conduct herself as to become unworthy of the bounty of the Crown, or shall neglect or ill-treat her children, then, and in that case, the Secretary-at-War shall have full power to make such arrangements for apportioning the interest of the money, and making better provision for the children, as in his judgment may seem most advisable.

8. The allowances to be granted under the authority of this Warrant are not applicable to the cases of Officers killed in action or dying of wounds before the declaration of war with Russia, but it is to take a retrospective effect up to that date; and, therefore, any Officer's widow to whom there may have been granted a pension, compassionate allowances for children, or gratuity for herself and children, or any other relative of an Officer who may have received a pension or gratuity under the Warrant of the 15th of June, 1855, who may wish to commute such pension, allowances or gratuities for the sum fixed under the provisions of this Warrant, shall be permitted to do so; but, in that case, whatever sums may have been received

by or on account of the widow or children or other relatives will have to be deducted from any amount paid under the terms of this Warrant.

9. A return of all sums paid under the provisions of this Warrant shall be laid annually before Parliament on or after the 1st of April.

Given at our Court at St. James's, this 23rd day of October, 1855,
in the 19th year of our Reign.

By her Majesty's command,
PANMURE.

SIR,

War Office, 22nd October, 1855.

I AM directed to acquaint you that the stoppages for the rations issued to invalid Soldiers on board the hospital ships "Great Tasmania" and "Saldanha," and other vessels arriving from the seat of war, are to be made at the *reduced rate of Threepence half-penny* for each ration; and that the benefit of this low rate of stoppage, instead of *Tenpence* as heretofore, is to be extended to the period such men may be treated in hospital at home *continuously after their landing in England*, and to add that the reduced rate of *Threepence half-penny* only will accordingly be chargeable to the invalids from the Crimea and from Turkey, *from and after the 1st instant*.

I have the honour to be, Sir,

Your most obedient humble Servant,
B. HAWES.

GENERAL ORDER. No. 658.

Horse Guards, 16th October, 1855.

The Queen has been graciously pleased to command, that, in commemoration of the gallant conduct of the troops concerned, the words "Alma," "Balaklava" and "Inkerman" be borne on the regimental colour of the regiments specified in the accompanying list.

Also that the several corps composing her Majesty's army in the Crimea on the 5th of September, 1855, shall bear the inscription "Sevastopol" on the regimental standard or colour, as a memorial of the arduous and successful operations which have led to the reduction of that fortress.

Regiments which have no standards or colours will bear these distinctions on their cap or helmet plates.

Rifle regiments will wear them on their breastplates and cap plates.

By command of the Right Hon. Field-Marshal

VISCOUNT HARDINGE, Commanding-in-Chief.

CIRCULAR, No. 1206.

1,199

No. 1 Reports.

SIR,

War Office, 22nd October, 1855.

IT being found that much irregularity still prevails in regard to reporting invalid Soldiers and others who are sent from the Crimea and from Turkey, notwithstanding the special directions issued with a view to ensure the strictest compliance with the regulations on this head,—which prescribe that in every case of a detachment proceeding to or returning from a foreign station* “the Officer in charge is to take care that he is furnished with a report, No. 1, which report he is to give to the Paymaster into whose payment he delivers up the Men,”—I am directed by the Secretary-at-War again

* Art. 175, Explan. Directions, 1848.

to call the particular attention of Commanding Officers, Paymasters and others to this important point of duty, and to desire that Paymasters will attend most carefully to the preparation of such reports, and that every Officer about to embark in charge of Invalids or others, take care to have such reports in his possession.

2. In the concluding paragraph of the Circular from this Department, dated 20th March last, No. 1,181, the Secretary-at-War expressed his reliance on Commanding Officers to give such orders as would ensure full and complete reports, whenever a Soldier should quit the Regiment, to the Paymaster by whom next to be subsisted, and in the Circular Letter addressed, on the 9th February last, to the several Paymasters in the Crimea, &c., the utmost punctuality and correctness was enjoined in furnishing these necessary reports, as required by the established regulations of the Service. to the Officers or Non-commissioned Officers in charge of the several parties of Invalids and others.

3. It has already been pointed out in the Circular last quoted, that it is not desirable the pay of Invalids embarking from the *Mediterranean* (which is to be considered as applicable also to the Army in the East) should be issued to a date beyond that preceding embarkation, but if under any special circumstances an advance, for a limited period, should be made, the Officer in charge is to see to the proper application thereof, and duly account for the same to the Paymaster by whom the Men shall be next subsisted.

4. As, notwithstanding every precaution taken at Balaklava, Scutari, Smyrna, &c., duly to furnish required No. 1 Reports, it may occur that Invalids embarked on board ships direct for England, or a portion of them may be landed at Malta, and that some of the Men so landed may remain at Malta or return thence to their Regiments in the Crimea or Turkey as *effective Soldiers*, it is obviously essential that a system of classification should be adopted in the preparation of the No. 1 Reports, so as to facilitate the correct transfer of the Men into the payment of the Divisional and other Paymasters at the Island, it being concluded that the Men landing there will generally, if not invariably, be allotted to the Division at Malta answering to the Division to which the Regiments of the Men belong in the Crimea. A separate report for the Men of each Regiment should, therefore, be prepared accordingly in the Crimea and in Turkey, on the Men quitting the Regiment, or embarking at Balaklava or Scutari, &c., in the same ship.

5. It is, moreover, of importance, that on Invalids embarking at Malta for England, the Officer in charge should be put in possession of the No. 1 Reports, also Regimentally prepared by the Divisional Paymasters, very serious inconvenience and delay in effecting the settlements with the Men having in some instances resulted from the reports not arriving at Chatham until long after the Invalids had reached this country. Such reports, it may be observed, should invariably show not only the date *to*, but also that *from*, which the Men shall have been subsisted by the Divisional Paymasters at home.

6. Whenever a Soldier ordered to embark at a port in the Crimea or in Turkey for this country, and reported accordingly, shall from any cause whatsoever not ultimately so embark, the Paymaster who reported him should be immediately informed of the circumstance, in order that, by the earliest opportunity, he may communicate the information to the Paymaster of the Invalid Depot at Chatham for his guidance in correction of the first report.

No. 1 Reports and Victualling Certificates.

7. I am further to point out that great inconvenience and embarrassment arises from Officers arriving in England with Invalids from the seat of war not accompanying them to Chatham as required by the Queen's Regulations and Orders for the Army,* in order that they may deliver over the No. 1 Reports, victualling certificates, duly completed, &c., and afford every possible information to the Paymaster of the Invalid Depôt at that Station. This requisite point of duty is to be complied with in every instance without fail.

Victualling Certificates.—War Office Forms 321 and 322.

8. With regard to the victualling certificates, or ration returns,† I am to observe, that in numerous instances Officers are reported to have landed, both in the Crimea from England, and in this country from the East, unprovided with these most necessary documents, thus greatly adding to the difficulties of the respective Paymasters, and the Secretary-at-War accordingly desires that on every occasion when Invalids or other Soldiers shall embark from or for a foreign Station, the Paymaster by whom the Men shall have been previously subsisted shall furnish the Officer in charge with the proper forms of ration certificates, for which purpose an ample supply will be forwarded to all the Paymasters in the Service, who are to make timely application to this Department for fresh supplies thereof when necessary, so as always to have a sufficient number in hand.

General Observations.

9. In conclusion, I am directed by Lord Panmure to impress upon all Officers concerned the great importance of a due regard to the foregoing instructions, to secure perfect correctness and regularity in furnishing the indispensable documents which are the subject of this communication, and to avoid the objections and disallowances which necessarily follow a disregard of the regulations on this head.

I have the honour to be, Sir,

Your most obedient Servant,

B. HAWES.

visional Battalions, and Consoli-
dated Cavalry Depôts and all
Paymasters.

SIR,

War Office, 25th September, 1855.

WITH reference to the printed letter addressed to you on 2nd May last, limiting the returns to be made respecting the effects of Soldiers becoming non-effective in the Crimea to War Office Forms 192 and 388, I am directed to acquaint you that as the Savings Banks' of each regiment in that country are kept by the depôts at home since 1st April last under the instructions of this office dated 17th March last, the certificate on Form 388 will not in future be required to be annexed to the statement of the effects of Soldiers becoming non-effective in that country; but it will be sufficient that a Memorandum be inserted on the statement of effects, that there is a balance in the Savings Bank of the regiment belonging to the Soldier.

I am, Sir,

Your obedient Servant,

B. HAWES.

To Officers commanding

I am directed to request your particular attention to Articles 135 and 136 of the Explanatory Directions, and to point out that it is your duty in every instance of a Detachment of Officers or Men in your payment proceeding to or returning from a Station abroad, or from one Foreign Station to another, to provide the Officer or Non-Commissioned Officer in charge with a supply in duplicate of the Forms alluded to, with a strict injunction, that, on arrival at the place of destination, the said Forms, properly completed and certified, are to be delivered to the Paymaster or Agent into whose payment the Officer or Detachment shall pass.

A supply of the Forms in question is enclosed for immediate use, and further supplies thereof will be sent periodically. VICTORIA, R.

WHEREAS we have deemed it advisable to allow to the widows and families, or to certain of the relatives hereinafter specified, of Officers of our Army who, since the declaration of war with Russia, have been or may be killed in action, or who have died or may die of wounds received in face of the enemy within six months after being wounded, the alternative of receiving a fixed sum of money, in lieu of such rates of pension and compassionate and other allowances as are prescribed by our Royal Warrant of the 15th of June, 1855; our will and pleasure is, that this our Royal Warrant, to be administered and interpreted by our Secretary at War, shall be the sole and standing authority upon the matters herein contained.

Rules and Regulations for granting a fixed Sum of Money in lieu of Pensions, Compassionate Allowances, and Gratuities to the Widows, Families and Relatives of Officers Killed in Action, or dying of Wounds in face of the enemy, within Six Months after being wounded:—

1. The amount of money to be paid to a widow, widow and children, or other relatives of an Officer killed in action, or dying of wounds received in face of the enemy within six months after being wounded, shall, whatever branch of the Service he may have belonged to, be the regulation price fixed for Commissions in Cavalry and Infantry of the Line, as set forth in the following scale, viz.:—

To the widow, widow and children, children, father, mother, sister or sisters of				Cavalry.	Infantry.
			Lieut. Col.	£6,175	£4,500
Ditto	Major	4,575	3,200
Ditto	Captain	3,225	1,800
Ditto	Lieutenant	1,190	700
Ditto	Ensign	840	450

but it shall in no case exceed the regulated price actually paid by the Officer for the purchase of his Commission or Commissions.

2. When an Officer so killed, or so dying of his wounds within six months, shall leave a widow only, the price thus fixed shall be paid to her for her sole and absolute benefit, provided she be not left in such wealthy circumstances as would otherwise preclude all claim to a pension; and she shall be required to give, according to such form as may be hereafter prescribed by the Secretary-at-War, an acknowledgment as having received such sum in lieu of, and as a full compensation for, all pension and gratuity to which she may have proved herself entitled in consequence of the loss of her husband.

3. In the event of an officer leaving a widow and children who have established a claim to the pension and compassionate allowance, then, and in that case, the money awarded in lieu thereof shall be invested in Government Securities, in the names of two or more trustees, to be nominated by the Secretary at War for the time being, and shall remain so invested, and the interest shall be receivable by the widow until her death, when the money shall be divided, share and share alike, among the children then alive of such deceased Officer. In the event, however, of

the widow surviving her said children, the money shall then become her sole and absolute property, as laid down in Article 2.

4. In the event of an officer leaving a child or children, but no widow, the money shall be invested, as stated in Article 3, and the interest thereof shall be applied by the trustees for the benefit of such child or children until he, she or they shall attain the age of twenty-one, when the money, as in the case of the widow, shall become the absolute property of such surviving child or children, share and share alike. Should, however, such child or children die before attaining the age of twenty-one years, then, and in that case, the money, after discharging all just liabilities, shall revert to the Crown.

5. In the event of an Officer leaving at his death neither widow, child, nor children, then the money shall be paid to his father, and if he leave no father, it may be paid to his mother, for his or her sole and absolute benefit, provided that neither be excluded by wealthy circumstances. And in the event of there being neither father nor mother, then the money shall be paid to the sister or sisters, as the case may be, share and share alike, and provided they shall have attained the age of twenty-one years. But should any sister or sisters be under that age, then the money shall be invested, and the interest be applied, as stated in Article 4, until such sister or sisters shall become twenty-one years of age, when it shall become the absolute property of the survivors or survivor. Should no survivors or survivor attain the age of twenty-one years, then the money, after discharging all just liabilities, shall revert to the Crown.

5. No grant of money under the provisions of this Warrant shall be made to the widow if she were ineligible for a pension under the provisions of the Royal Warrant of the 15th of June, 1855; but the ineligibility of the widow to any grant under this Warrant shall not affect the interests of the legitimate children of such deceased Officer, for whose benefit the money shall be invested, as stated in Article 4, except they be left in such wealthy circumstances as would disqualify them for the compassionate allowances under the provisions of Article 2.

7. In the event of it being represented and satisfactorily proved to the Secretary-at-War that any widow, on whose behalf money shall have been invested for the benefit of herself and children under the provisions of this Warrant, shall thereafter so conduct herself as to become unworthy of the bounty of the Crown, or shall neglect or ill-treat her children, then, and in that case, the Secretary-at-War shall have full power to make such arrangements for apportioning the interest of the money, and making better provision for the children, as in his judgment may seem most advisable.

8. The allowances to be granted under the authority of this Warrant are not applicable to the cases of Officers killed in action or dying of wounds before the declaration of war with Russia, but it is to take a retrospective effect up to that date; and, therefore, any Officer's widow to whom there may have been granted a pension, compassionate allowances for children, or gratuity for herself and children, or any other relative of an Officer who may have received a pension or gratuity under the Warrant of the 15th of June, 1855, who may wish to commute such pension, allowances or gratuities for the sum fixed under the provisions of this Warrant, shall be permitted to do so; but, in that case, whatever sums may have been received

by or on account of the widow or children or other relatives will have to be deducted from any amount paid under the terms of this Warrant.

9. A return of all sums paid under the provisions of this Warrant shall be laid annually before Parliament on or after the 1st of April.

Given at our Court at St. James's, this 23rd day of October, 1855,
in the 19th year of our Reign.

By her Majesty's command,
PANMURE.

SIR,

War Office, 22nd October, 1855.

I AM directed to acquaint you that the stoppages for the rations issued to invalid Soldiers on board the hospital ships "Great Tasmania" and "Saldanha," and other vessels arriving from the seat of war, are to be made at the *reduced rate of Threepence half-penny* for each ration; and that the benefit of this low rate of stoppage, *instead of Tenpence* as heretofore, is to be extended to the period such men may be treated in hospital at home *continuously after their landing in England*, and to add that the reduced rate of *Threepence half-penny* only will accordingly be chargeable to the invalids from the Crimea and from Turkey, *from and after the 1st instant*.

Regiments serving with the

Horse Guards, 16th October, 1855.

Also that the several corps composing her Majesty's army in the Crimea on the 5th of September, 1855, shall bear the inscription "Sevastopol" on the regimental standard or colour, as a memorial of the arduous and successful operations which have led to the reduction of that fortress.

Regiments which have no standards or colours will bear these distinctions on their cap or helmet plates.

Rifle regiments will wear them on their breastplates and cap-plates.

No. 1 Reports and Ship Ration Returns.

108,076

CIRCULAR, No. 1206.

1,199

No. 1 Reports.

SIR,

War Office, 22nd October, 1855.

IT being found that much irregularity still prevails in regard to reporting invalid Soldiers and others who are sent from the Crimea and from Turkey, notwithstanding the special directions issued with a view to ensure the strictest compliance with the regulations on this head,—which prescribe that in every case of a detachment proceeding to or returning from a foreign station* “the Officer in charge is to take care that he is furnished with a report, No. 1, which report he is to give to the Paymaster into whose payment he delivers up the Men,”—I am directed by the Secretary-at-War again

* Art. 175, Explan. Directions, 1848.

to call the particular attention of Commanding Officers, Paymasters and others to this important point of duty, and to desire that Paymasters will attend most carefully to the preparation of such reports, and that every Officer about to embark in charge of Invalids or others, take care to have such reports in his possession.

2. In the concluding paragraph of the Circular from this Department, dated 20th March last, No. 1,181, the Secretary-at-War expressed his reliance on Commanding Officers to give such orders as would ensure full and complete reports, whenever a Soldier should quit the Regiment, to the Paymaster by whom next to be subsisted, and in the Circular Letter addressed, on the 9th February last, to the several Paymasters in the Crimea, &c., the utmost punctuality and correctness was enjoined in furnishing these necessary reports, as required by the established regulations of the Service to the Officers or Non-commissioned Officers in charge of the several parties of Invalids and others.

3. It has already been pointed out in the Circular last quoted, that it is not desirable the pay of Invalids embarking from the *Mediterranean* (which is to be considered as applicable also to the Army in the East) should be issued to a date beyond that preceding embarkation, but if under any special circumstances an advance, for a limited period, should be made, the Officer in charge is to see to the proper application thereof, and duly account for the same to the Paymaster by whom the Men shall be next subsisted.

4. As, notwithstanding every precaution taken at Balaklava, Scutari, Smyrna, &c., duly to furnish required No. 1 Reports, it may occur that Invalids embarked on board ships direct for *England*, or a portion of them may be landed at *Malta*, and that some of the Men so landed may remain at *Malta* or return thence to their Regiments in the *Crimea* or *Turkey* as *effective Soldiers*, it is obviously essential that a system of classification should be adopted in the preparation of the No. 1 Reports, so as to facilitate the correct transfer of the Men into the payment of the Divisional and other Paymasters at the Island, it being concluded that the Men landing there will generally, if not invariably, be allotted to the Division at *Malta* answerable to the Division to which the Regiments of the Men belong in the *Crimea*. A separate report for the Men of each Regiment should, therefore, be prepared accordingly in the *Crimea* and in *Turkey*, on the Men quitting the Regiment, or embarking at *Balaklava* or *Scutari*, &c., in the same ship.

5. It is, moreover, of importance, that on Invalids embarking at *Malta* for *England*, the Officer in charge should be put in possession of the No. 1 Reports, also Regimentally prepared by the Divisional Paymasters, to prevent serious inconvenience and delay in effecting the settlements with the Men, having in some instances resulted from the reports not arriving at *Chatham* until long after the Invalids had reached this country. Such reports, it may be observed, should invariably show not only the date to, but also that from which the Men shall have been subsisted by the Divisional Paymasters at home.

6. Whenever a Soldier ordered to embark at a port in the *Crimea* or in *Turkey* for this country, and reported accordingly, shall from any cause whatsoever not ultimately so embark, the Paymaster who reported he should be immediately informed of the circumstance, in order that, by the earliest opportunity, he may communicate the information to the Paymaster of the Invalid Depot at *Chatham* for his guidance in correction of the report.

No. 1 Reports and Victualling Certificates.

7. I am further to point out that great inconvenience and embarrassment arises from Officers arriving in England with Invalids from the seat of war not accompanying them to Chatham as required by the Queen's Regulations and Orders for the Army,* in order that they may deliver over the No. 1 Reports, victualling certificates, duly completed, &c., and afford every possible information to the Paymaster of the Invalid Depot at that Station. This requisite point of duty is to be complied with in every instance without fail.

Victualling Certificates.—War Office Forms 321 and 322.

8. With regard to the victualling certificates, or ration returns,† I am to observe, that in numerous instances Officers are reported to have landed, both in the Crimea from England, and in this country from the East, unprovided with these most necessary documents, thus greatly adding to the difficulties of the respective Paymasters, and the Secretary-at-War accordingly desires that on every occasion when Invalids or other Soldiers shall embark from or for a foreign Station, the Paymaster by whom the Men shall have been previously subsisted shall furnish the Officer in charge with the proper forms of ration certificates, for which purpose an ample supply will be forwarded to all the Paymasters in the Service, who are to make timely application to this Department for fresh supplies thereof when necessary, so as always to have a sufficient number in hand.

General Observations.

9. In conclusion, I am directed by Lord Panmure to impress upon all Officers concerned the great importance of a due regard to the foregoing instructions, to secure perfect correctness and regularity in furnishing the indispensable documents which are the subject of this communication, and to avoid the objections and disallowances which necessarily follow a disregard of the regulations on this head.

I have the honour to be, Sir,

Your most obedient Servant,

B. HAWES.

visional Battalions, and Consoli-

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force :

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Gaelic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

(Signed) CLARENDON.

Foreign Office, May 10, 1855.

VICTORIA B.

Whereas we have judged it expedient to revise that part of our Royal Warrant of the Sixth day of October, Eighteen hundred and fifty-four, which regulates the Half-pay of Regimental Quartermasters: our will and pleasure is, that Quartermasters who shall have served for an aggregate period of thirty years, of which at least ten years shall have been as Quartermaster, shall have a claim to retire, with the honorary rank of Captain, upon the Half-pay of Ten shillings a day, provided such retirement shall be recommended to us by our Secretary of State for the War Department.

It is our further will and pleasure, that this our Royal Warrant shall have a retrospective operation, so as to confer the honorary rank and increased Half pay upon all Quartermasters who, after the completion of the aforesaid periods of service, have retired since the declaration of the present War with Russia.

CIRCULAR. No. 1,209.

Sir,

War Office, 29th October, 1856.

I am directed by the Secretary-at-War to notify to you that the French Government have communicated to his Majesty's Principal Secretary of State for Foreign Affairs the particulars of an arrangement under which the French Railway Companies consent to convey Officers and Men of the Land and Naval Forces in her Majesty's Service on the same terms as those in the French Services.

Under such arrangement, Officers are required to pay Half-fare for whatever Class they may choose to travel by, and the Fares of Soldiers and Sailors are in like manner reduced to the extent of One-half of the ordinary rates.

The Railway Companies will also be ready to make further modifications in the case of Troops travelling in large bodies, which are to be settled according to the number transported.

In communicating this liberal concession on the part of the French Railway Companies, I am to point out to you, for the information of all Officers and Men under your command, who may be directed to travel by this route, that such reduction of fares will only be extended to those who are provided

with the necessary routes or passports to substantiate their claims to these advantages.

I am to add that the claims sent in to this Department for travelling expenses of Officers and Men proceeding at the public expense through France will accordingly only be admitted in conformity with the fares thus established.

I have the honour to be, &c.,

Great inconvenience having arisen in the adjustment of claims for compensation in lieu of Clothing in the case of Men sent home from Foreign Service, consequent upon the non-transmission of the Return heretofore sent to the Regimental Agents upon this subject, Commanding Officers are enjoined to be particularly careful in forwarding such with the utmost regularity, direct, to the Director General of Army Clothing, War Department, Pall Mall, London, according to the subjoined Form.

Similar Returns should be sent with all drafts of Invalids sent home from the East; and Commanding Officers are reminded of the necessity of the usual entry being made in the Soldier's Pocket Ledger of all Clothing which they may have received, from the omission of which much inconvenience results to the Soldier on being discharged from the Service.

SIR,

War Office, 10th November, 1855.

The situation of Regimental Paymaster's Clerk, who at present receives the pay of Serjeant, with an increase of Sixpence a day after Seven years' uninterrupted service in that rank, having been brought under the consideration of the Secretary at War, with a view to some improvement thereof, and it appearing to Lord Panmure that the qualifications required for the efficient performance of the duties of that appointment are deserving of a better provision, I am directed to acquaint you, that the increased pay of Sixpence a day, with the rank of Colour Serjeant, now sanctioned after Seven years' service to the Regimental Paymaster's Clerk, will be granted after Three years' uninterrupted service in that rank, under the same provi-

Complaints having been addressed to the Secretary at War of the unnecessary detention in Gaol of Soldiers committed to the custody of the Governors thereof on charges of Desertion, and it being found that the Descriptive Returns received from the Committing Magistrates under the provisions of the 46th clause of the Mutiny Act, which are referred to Officers commanding with a view to the prompt and satisfactory identification of the individuals charged with the offence of Desertion, are frequently detained, instead of being forwarded to the War Office with the least possible delay, as in every instance the several Commanding Officers are particularly requested to do, I have now the honour, by direction of the Secretary at War, to acquaint you that such Descriptive Returns, when referred to you, should be sent back to the War Office, with the information required, by return of post, if possible, and if that be not practicable, I am then directed to desire that the Secretary at War may as immediately be informed of the cause of delay.

YEOMANRY CAVALRY.

Lanc. Hus.—Frederic Wm. Earle, Cor.16 Nov. 1855

The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

Regulations respecting Foreign Orders.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-Chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on any such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorize the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realm.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by mere service of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

Regulations respecting Foreign Medals.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British Subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

(Signed) CLARENDON.

Foreign Office, May 10, 1855.
